paragraph below, and then rewrite the paragraph correctly on lined paper.

Please go up into the attic and find our old ice cream freezer said mom. She said that, while we searched for the ice cream freezer, she would go to the grocery store to buy the ingredeints for making homemade ice cream. it took a while to find the ice cream freezer but finally we were successful we carryed it downstairs, and then while we were waiting for Mom to return from the store we cleaned off the dust and washed the inside of the container.

We were surprized to see that one of the ingredients mom brought home was a big bag of rock salt. What is all that salt for we asked?
